

Lab 4 | Learned | Top left

Print in color at 100% / actual size. Each square must measure 20 cm.

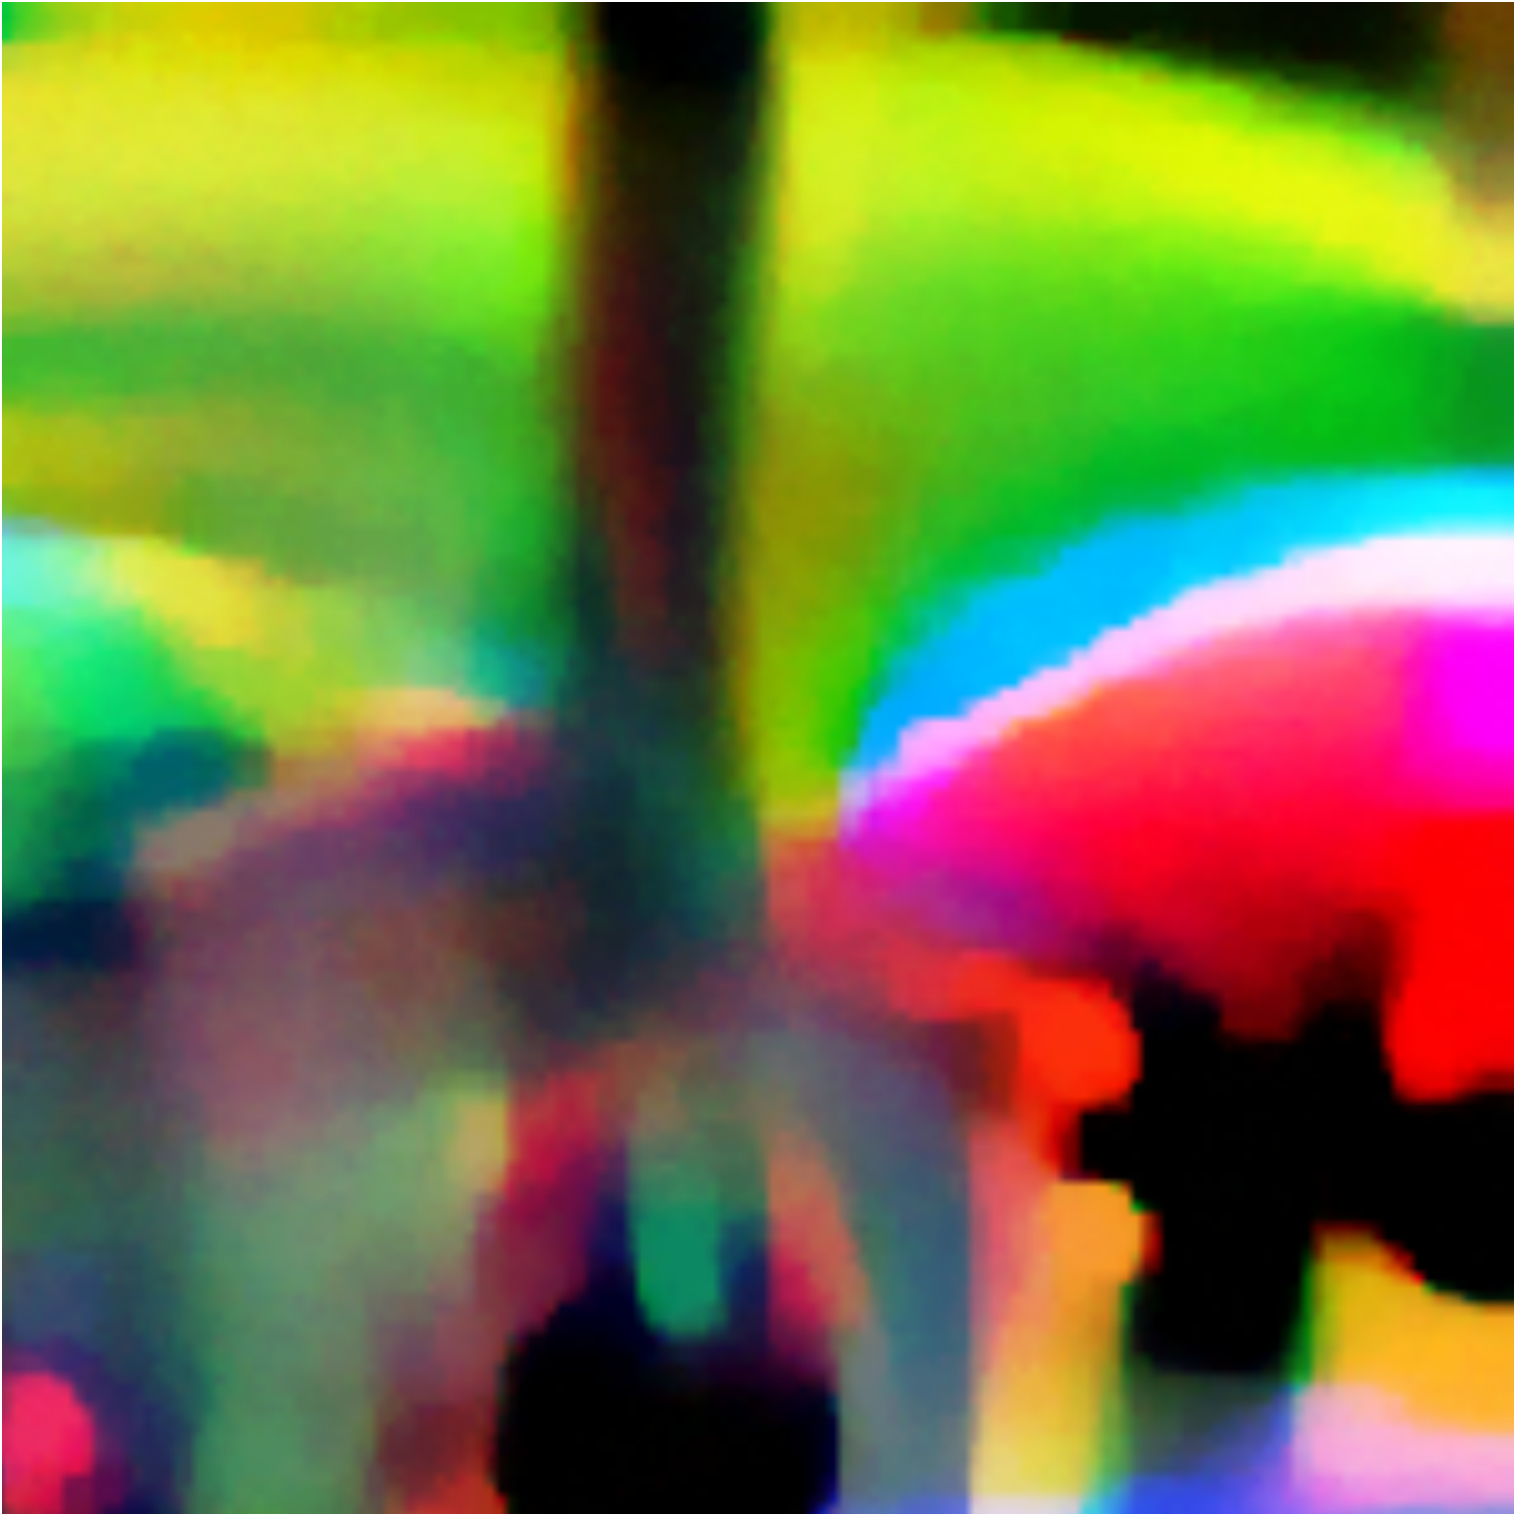

Trim at the square edges. Join all four tiles from the back to make 40 x 40 cm.

Top row: top left + top right. Bottom row: bottom left + bottom right.

Hold the assembled patch flat against the torso, facing the camera.

Lab 4 | Learned | Top right
